INTRODUCTION

Guaranteed Investment Certificates (GICs) can be purchased, renewed or redeemed on maturity through ScotiaConnect. If you are unable to access any of these functionalities, talk to your Super User to make sure that your access has been set up correctly. For steps on how to provide access to a user, please refer to the [Setting up Access for Users](#) section of this guide.

PURCHASING GICs

From the **Overview** tab, scroll down to the **Investment accounts** section and click **Review your GIC options** link. Alternatively, you can also go to the Accounts tab and do the same.

This will navigate you to the GIC purchase page. In this page, you will be able to select the **Investment Plan** number, the **Account to fund investment** and the **Investment amount**. Click **Continue** when you have completed all 3 fields.

Note that you will have another opportunity to change the maturity instruction 28 days prior to the maturity date. For steps on how to change the maturity instructions, go to the [Changing Maturity Instructions](#) section of this guide.

The summary of GIC terms will be shown once again. Read the **Terms and Conditions** and mark that you have read, understood and agree with the terms and conditions. Then, click **Continue** to complete the purchase.

*Please note: If your current GIC's maturity instruction is any one of the following or a combination of the following: (a). move the Maturity Amount into the Cash Account, (b). move the Maturity Amount into a new eligible GIC, or (c). move the Maturity Amount into another Scotiabank Business Account, the request for a change in maturity instructions (as detailed in the section above) can be submitted up to one (1) day prior to the maturity date of your current GIC. If your current GIC's maturity instruction includes moving the Maturity Amount to an account with another financial institution, the request for change in maturity instructions (as detailed in the section above) must be submitted at least three (3) days prior to the maturity date of your current GIC (by no later than 10:30 PM if such date is a business day and no later than 3:30 PM if such date is a Saturday or Sunday). If your current GIC's maturity instruction includes a payment through cheque, the requested change in maturity instructions (as detailed in the section above) must be submitted at least 12 days prior to the maturity date of your current GIC (by no later than 10:30 PM if such date is a business day and no later than 3:30 PM if such date is a Saturday or Sunday).

Interest Calculation: Interest is accrued daily on your GIC, on the basis of a year with 365 days(for CAD currency) and 360 days (for USD currency) , from the issue date up to, but not including, the maturity date. During a leap year, interest is also earned on the leap day. For Scotia GICs that pay interest during their term (monthly, semi-annually or annually) the last payment is paid at maturity. The value of a compounded GIC is paid to you on the maturity date. If the maturity date does not fall on a business day the term of the GIC will be extended to the next business day and interest will be paid to that day. Please see the Investment Companion booklet regarding possible interest rate clawbacks, as applicable to certain GICs.

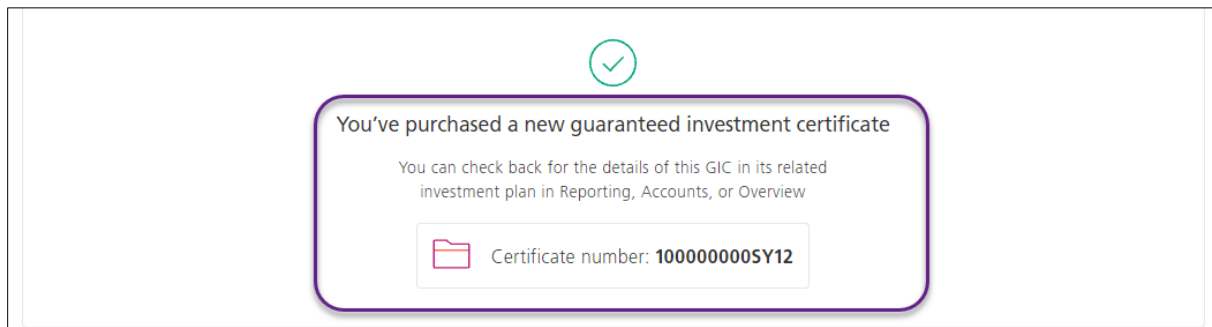

I have read, understood, and agree with the terms above and the terms and conditions detailed in the Investment Companion Booklet and the other agreements and documents listed above.
